

2022-2023 Forms Manual Corrections Supplement

Due to recent law changes, there have been changes to the **2022-2023 Forms Manual** – Please see the **2022-2023 Forms Manual Corrections Supplement** linked below. Please be sure to share this link with your members who have previously purchased a 2023 Forms Manual, you can also print and include a copy of this sheet with your future manual sales.

If there are any future updates, they will also be provided using this same link – It is important to have your forms manual users check this website periodically and the ORHA Office will notify the local offices when new content has been published on the website.

Thank You,

ORHA Office | June, 2023
